

HUDSON WHISKEY

BABY BOURBON

PIONEERING SPIRIT. NEW YORK ATTITUDE.

Hudson Baby Bourbon is the first bourbon to ever be produced in New York State. Made with 100% New York State corn and aged in new charred American oak, our Baby Bourbon owes its rich amber color and bold character to the local grain and unique aging process that we use. We're happy to share this full flavored, easy sipping whiskey with you; enjoy with friends.

New York attitude, distilled. A Big, bold, full flavored bourbon, balanced with notes of vanilla and caramel.

ENJOY IN SMALL BATCHES. DRINK RESPONSIBLY. • HUDSONWHISKEY.COM
